MINISTRY OF COMMERCE

PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 10th July, 1967

SUBJECT:—Submission of consolidated applications for raw materials, components and spares by small scale units and non-SSI units sponsored by the State Directors of Industries during April 1967—March 1968.

No. 60-ITC(PN)/67.—Attention is invited to sub-paragraphs 73(5) and 76(5) of the Import Trade Control Hand Book of Rules and Procedure, 1967, which contain the procedure for submission of consolidated applications by (i) actual users not borne on the books of the Directorate General of Technical Development other than small scale and (ii) small scale industries respectively.

2. In partial modification of the afore-said provisions, it has been decided that the small scale units and also non-SSI units sponsored by the State Directors of Industries, engaged in I.D.A. industries listed in Appendix 27 of the Import Trade Control Hand Book of Rules and Procedure, 1967, should submit consolidated applications for raw materials, components and spares including the items licensable by the Iron and Steel Controller. Such consolidated applications should be made to the regional licensing authorities concerned in the Import and Export Trade Control Organisation in the prescribed form and manner. No separate application should be made by such units to the Iron and Steel Controller for import of items licensable by that authority.

3. Along with the import applications, the applicants should also submit the prescribed evidence showing the utilisation of the import licences issued to them by the Iron and Steel Control Organisation for iron and steel items under the liberalised import policy for the period April 1966—March 1967 in terms of paragraph 47, of Section I of the Import Trade Control Policy (Red Book) for the period April 1967—March 1968. The Import and Export Trade Control authorities will send necessary intimation to the Iron and Steel Control Organisation in regard to the licences issued to such units.

P. D. KASBEKAR,
Chief Controller of Imports and Exports.
